# PEOPLE FOR PEOPLE FOUNDATION APRIL 2025

# **UPDATES**

Our *People for People Veteran Claims Agent*, continues to provide quality service for the numerous veterans she encounters; whether that's providing resource information, beginning or updating a claim, or just offering a sympathetic ear for those in need.

Below is an example of one of the many veterans our claims agent has assisted over the years.

#### Report: It's Never Too Late

In August of 2024, our *People for People Veteran Claims Agent* received a phone call from the daughter of a Vietnam Era Army Veteran who served in Korea from 1966-1968. He was attached to the First US Army 2<sup>nd</sup> Infantry Division which was stationed on the DMZ in 1967. Agent Orange was used in Korea along the DMZ during the Vietnam Era. She said her dad was not well and she had some questions about the benefits he might be eligible to receive.

Like so many other veterans our Claims Agent met, he did not want to apply for benefits because "others deserve it more." However, after some convincing we started to review his medical condition. It became apparent that the vet would have a successful claim due the presumptive conditions to which he was currently diagnosed.

A presumptive condition is an illness that a veteran has been diagnosed with that the government determines started while in the service.

The veteran was currently being treated for hypertension, diabetes, ischemic heart disease and retinopathy secondary to diabetes. In the past he had prostate cancer which is currently in remission.

The *Veteran Claims* Agent submitted a fully developed claim in Dec of 2024. After several C&P exams with MRIs and Xrays the decision letter was received. The veteran received 100% just for heart disease and was rated for the other conditions. Along with the decision was back pay to the date of claim.

Needless to say, this was life changing for this 81 year old veteran who did not even want to file.

For veterans seeking information or resources regarding benefits, the <u>2025 Veterans Benefits Guide</u> is now available. # The Victory Garden - a community garden serving the residents of Camp Salute in Clayton NJ

This week we installed a Bluebird nest box at B'nai Tikveh Synagogue in Sewell. We built our 2nd Butterfly Garden/Classroom here. We are hopeful that the children will be observing nesting Bluebirds. We know that they are nearby. This is our 7th box in the local area.

Better yet...plant Hummingbird friendly native plants like Cardinal Flower, Coral Honeysuckle, Salvia, Red Columbine Just to name a few.

Here at the garden we have 2 Bluebird nest boxes. Last year we fledged 10 birds. Our other 4 boxes located in Glassboro fledged 20 birds last year. We are looking forward to another productive season as we plan to install another 2-3 boxes. Our Purple Martin house was also successful last year.

#### **EASTER**

Easter is the holiest day in the Christian calendar. It observes the most central tenet of the Christian faith—that Jesus Christ was resurrected from the dead. The Resurrection represents the triumph of good over evil, sin, death, and the physical body.

Easter Sunday always occurs on the first Sunday after the <u>Paschal Full Moon</u>. What is the Paschal Full Moon? This is specifically the first Sunday following the full Moon that occurs on or after the <u>March or spring equinox</u>.

This year, Easter will be observed on Sunday, April 20.
