

PEOPLE FOR PEOPLE FOUNDATION

AUGUST 2024

MESSAGE FROM THE CEO

Bernadette Blackstock—CEO

I was recently asked, “What makes People for People different from other agencies?” It only took a split second to respond: The Team.

We are fortunate to have a team of mature, experienced individuals each with their own unique talents that blend to make a cohesive team. Their core values of client service are the same: answer the phone; be polite; take the time to listen; make sound recommendations and referrals; thank the client for calling.

Our next “Star of the Month” is team member *Janis Adams*.

Janis Adams—Events Coordinator

“**SARGE**”. Organized, efficient, cheerful, and always ready to lend a helping hand are just some of the ways to describe *Janis Adams*.

Janis has been with People for People Foundation for almost 13 years. She first became involved as a volunteer, later becoming an employee.

Janis assists with putting together our Annual Veterans Picnic and Wreaths of Remembrance, as well as any other events that comes along.

Janis also keep our supplies and files stocked and in order.

Moreover, Janis is our “unofficial” proof reader. But be careful, she **WILL** find **ALL** of your mistakes!

Janis has stayed active over the years, serving the communities in which she has lived. She has been a cheerleading coach for the little ones, room mom, chaperone for her children’s various school functions, etc.

Janis has taken various classes such as belly and ballroom dancing, stained glass, photography, exercise, tai chi, and Zumba; to name a few.

Janis has also had the opportunity to travel to distant places and see how other cultures live, and to experience the beautiful scenery of their lands. Moreover, Janis has had the good fortune to see some of our own country and all that it has to offer.

Janis tries to be a positive influence on the people she meets in life, whether that’s family, friends, or strangers. Janis appreciates the beauty of nature all around her and she is always grateful for all that has been given her—a wonderful spouse, a home, a loving family, the opportunity to travel, and a job she goes to with people she can call friends.

In all, Janis brings to People for People her organizational skills, attention to details, persistent follow-up as well as her bright and cheerful attitude.

We are very fortunate to have her!
